

Spring Break 2018 Mission Shareholder Letter

Instruction Sheet

1. GATHER the names, addresses, and phone numbers of your home church, family, friends, neighbors, individual church members who might be excited to be a mission shareholder in your trip. Think big. People will surprise you. Allow God to surprise you! Keep good records of the people you send letters to because you might need to contact them again. Depending on the trip cost, consider sending out 10-20 letters.
2. EDIT the mission shareholder letter found on the CM Spring Break website. You can personalize the cover letter (page 1) however you wish. The cover letter is an example of a thorough letter. Add your personal reasons of why you are excited to serve on Spring Break 2018. The response page (page 2) needs to be personalized with your name and the cost of your trip. The trip cost can include an extra \$50 -\$75 for spending money for your food. Any money raised above that will help support other students on your trip.

Example: Houston trip cost \$525 + \$75 spending money = \$600 Total trip cost

3. SEND each letter including all of these elements:
 - Personalized cover letter,
 - Personalized response letter
